DETAILED ACTION

This Office action is responsive to communication received 05/16/2005 –
Amendment and Request for Extension of Time.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Adam Jacobs (Reg. No. 37,852 on May 25, 2005. During said interview, several changes to claim 10 were agreed upon in order to clarify the recitation of the claimed "at least two club head weights". These changes were made to provide grammatical consistency in the claims. Applicant's attention is drawn to the additional change noted in claim 10, line 20 for the same reasons advanced during the interview. Although this specific change in line 20 was not discussed with the applicant's attorney, the need for said change is self-evident in view of the remaining changes outlined for claim 10.

The application has been amended as follows:

IN THE CLAIMS:

Claim 10 – line 14, after "of", the phrase --each of-- has been INSERTED and "one" has been CHANGED to --two-- and "weight" has been CHANGED to --weights--;

Claim 10 – line 15, after "when", the phrase --each of-- has been INSERTED and "one" has been CHANGED to --two--;

Art Unit: 3711

Claim 10 – line 16, “weight” (first occurrence) has been CHANGED to --weights--;

Claim 10 – line 19, “weight” has been CHANGED to --weights--;

Claim 10 – line 20, “one” has been CHANGED to --two-- and “weight” has been CHANGED to --weights--.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1-3 and 6-11 are allowable over the prior art references of record because it would not have been obvious to modify any of the prior art devices of record to include the combination of a head, shaft, weight-receiving pocket, weight mounting means and alignment indicia along with at least one removably attached club head weight including a flat top plate and weight mounting means engagement portion having the claimed structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sebastiano Passaniti whose telephone number is 571-272-4413. The examiner can normally be reached on Mon-Fri (6:30-3:00).
